PRELIMINARY AMENDMENT

Hon. Commissioner  
of Patents and Trademarks  
Washington, D.C. 20231

Dear Sir:

Prior to examination on the merits, please amend the above captioned patent application as shown below.

IN THE CLAIMS

1. A computer station of a computer network, said computer station comprising:

a computer station network interface;

a microphone;

a speaker; and

an audio communication system, said audio communication system comprising:

an audio responsive input unit which accepts analog audio waveform signals from the microphone and digitizes the audio waveform signals;
